Hi Umesh,

Thanks! I think this is close to what we were expecting.

Is the "itemwindow resource" response to itemwindow:get already documented as well?

Look forward to seeing you tomorrow.

Hi Tad and Sherwin:

Here are the Cloud Queue documents:

1. Commands and Events - describes the Sender-Receiver interaction.
2. queueVersion.pdf and getItemWindow.pdf - attached. These describe the Receiver - Cloud Queue API.

We look forward to seeing you on Tuesday.

Umesh.
